We are committed to providing you the best possible care. If you have dental insurance, we are eager to help you receive your maximum allowable benefits. We will gladly discuss your proposed treatment and answer any questions relating to your insurance.

A few things to note:

- Your insurance is a contract between you, your employer, and the insurance company.
- We are currently a participating provider with Delta Dental of New Jersey, Premier Plan.
- We will work with all insurance companies providing you have *Out Of Network* benefits as part of your plan.
- Not all services are a covered benefit in all contracts/plans. Some insurance companies arbitrarily select certain services they will not cover.
- The difference between our fee and your insurance benefit is your responsibility.

We must emphasize that as a dental provider, our relationship is with you, not your insurance carrier. The recommended treatment is given in your best interest, regardless of the insurance benefit.

**I understand and agree that, regardless of my insurance status, I am ultimately responsible for the balance on my account for all professional services rendered at this practice.**
